**nano~pel**  
A NANO-TEX INNOVATION

**Bowles**  
MATTRESS CO.

**Stain and Liquid Resistance** NANO-PEL technology protects your mattress from stains and damage

**Durable** NANO-PEL fabric protection is permanent for the life of the mattress. It cannot be washed away or worn off

**Breathable** As NANO-PEL fabric protection is attached to the fibers and not a topical coating or a backing application, fabric remains breathable, retains its original feel and is more comfortable.

*The following stains were removed from NANO-PEL enhanced fabrics when following the recommended cleaning instructions:*
